Relevant coursework: Sociology of Development, Sociology of Economy, Research Methodology, Statistics for Social Research

PROFESSIONAL EXPERIENCE

Universitas Islam Internasional Indonesia

Graduate Research Assistant

July 2026 – Present

- Collaborated on KAICIID's interfaith environment collaboration research under the guidance of Testriono, Ph.D., and Khaidir Hasram, M.A.
- Developed a survey instrument based on Elinor Ostrom's "Governing the Commons" framework.
- Conducted in-depth interviews with targeted faith-based communities: five in Yogyakarta and one in Jakarta.

Graduate Research Assistant

April 2026 – September 2026

- Project supervised by Sirojuddin Arif, Ph.D., funded by the Ministry of Religious Affairs.
- Wrote three literature reviews on skill formation and on STEM in higher education in Malaysia and Indonesia.
- Analyzed INDO-DAPOER data across 600+ Indonesian cities on the effect of regional development on the existence of vocational high schools (SMK), using Poisson regression.

J-PAL Southeast Asia

Research Intern

July 2025 – September 2025

- Participated in logistical testing for a randomized controlled trial on BPJS incentives for informal workers (August 2025).
- Produced four media-tracking reports on Indonesian news for J-PAL's stakeholders.
- Completed a final project on fiscal decentralization, analyzing autonomy law after Reformasi and tracking its changes to the present.

Center for the Study of Islam and Society, UIN Jakarta

Research Assistant

October 2024 – November 2024

- Transcribed and analyzed ten interview recordings with key informants for the "Religious and Environmental Actions" project.

Next Policy

Research Assistant

July 2024 – October 2024

- Assisted the lead researcher on a tourism mapping project with the Ministry of Tourism and Creative Economy, collecting and organizing data on poverty, unemployment, and human development for 500+ Indonesian cities.
- Joined the team's discussions on turning the findings into recommendations for stakeholders.

Waste Recycle Indonesia

Research Intern

March 2024 – May 2024

- Delivered content on a fixed schedule, including two policy briefs and two website articles.
- Summarized source material for the team and shared research methods with colleagues.

Balai Pemasyarakatan Klas I Jakarta Selatan

Parole Officer Intern

January 2024 – February 2024

- Aided a parole officer with interviews and community-based research affecting the parole process for five clients and their families.
- Helped formulate policy recommendations from the findings to improve rehabilitation practice.
